

SOUTH WEST REGION

Chair: Bobbie Bragg (North Dorset District Council)

For some years the South West Region has struggled to show case events which would actively engage members in the region and ensure good attendance. We have however, maintained steady progress in South West memberships.

Consultation is currently being undertaken to develop a schedule of events for the rest of the year, a Regional group of PPMA Members will be formed to assist with shaping these regional events to ensure both HR practitioners and strategists can be supported and developed through their membership of the PPMA.

ACAS are currently in discussions with the Regional Chair on developing networks within both the public and private sectors in the region, creating the potential for the development of a regional joint HR network. These links may prove useful when the Big Society and localism agenda emerges in all its glory.

Volunteers are invited for the position of the regional Secretary and Job Share Chair.
